Seneschal's Report (Aibhilin/Leslie)

- *I am looking for a deputy. I have been in this position for a year and will be stepping down next year. If anyone is interested in learning what this position entails let me know.*
- *We have to start to think about Lady Mary and Fall Crown Tourney*

Greetings everyone from your Kingdom seneschal,

I'm sure you're all following the provincial announcements regarding its upcoming changes to the current covid restrictions. The specific legislation that will guide us for the next few weeks was just released (early even) and there will be more changes coming in mid-March, so please bear with me.

One thing that I can say is that proof of vaccination will be required to attend all official events (as defined by Corpora) in Ealdormere, as per the BoD's CovidSafe mandate. That is not changing.

There are a few changes to our Covid policies that need to be made now to make things less confusing for groups and to keep us in line with the current legislation:

As of 17 Feb 2022

1. *All indoor martial activities will be at 25% capacity of a rented venue.*
2. *Dancing is allowed but events that include dancing will be 25% capacity of a rented venue.*
3. *All activities at a personal residence will be subject to the social gathering limitations of the province.*
4. *There will be no food or drink consumed indoors (exemption for martial combatants; please see the Ealdormere covid safety plan for details).*
5. *Indoor melees are allowed but teams are restricted to a maximum of three.*

6. *Masks are required for all indoor activities (with exemption for martial activities; please see the Ealdormere covid safety plan for details) and outdoors where 2m social distancing can not be maintained.*
7. *Active screening is required to enter an event.*
8. *Contact tracing is required, as per BoD mandate.*
9. *Proof of vaccination is required.*

I know everyone is getting really tired of the rules and all the changing of the rules. Believe me, I know you are, and I get it. Thank you for being as patient as you have been.

As always if you require any clarifications, please contact me at ealdormere.kseneschal@gmail.com

In service,

Xristina

Old Business

Coronation - January 2022

- Tech Report:
 - Overall - We had planned to have the coronation video scheduled for publication in the kingdom youtube channel for 11 am, to synchronize with sharing the video in Zoom and streaming to the kingdom Facebook page. Unfortunately, Laura did not have the necessary credentials to stream the video to Facebook. The video was posted to the Youtube channel after the event. The coronation video was recorded on January 15th and edited over 12 hours. The baronial court was recorded on January 15th, as well, and edited over 4 hours.
 - Special thanks to both Laura and Michelle/Lucia (who came out of her retirement) to support the event as hosts, and the mod squad who assembled to support teachers and participants - including, Count Baldric, Baroness Lucia, Baroness Annabelle, Baroness Laura, THL Dietrich, and Lord Rhys.
- Overall everything went really well, Bardic went well, class streaming went well. Martin coordinated the family room. Trivia contest was a lot of fun. We were able to give their majesties something fun and a real event. Fun day for everyone who attended, no money was spent. Donated a prize for the Trivia contest.
